## ANNOUNCEMENTS

**PRAYER IS A SPIRITUAL NECESSITY**—Although Christ had given the promise to His disciples that they should receive the Holy Spirit, this did not remove the necessity of prayer. They prayed all the more earnestly; they continued in prayer with one accord. Those who are now engaged in the solemn work of preparing a people for the coming of the Lord, should also continue in prayer.

**HEALTH NUGGET:** "Oxytocin is the mediator of what has been called the 'tend-mend' response, as opposed to the 'fight-flight' response to stress. *When you're altruistic and touching people in a positive way, lending a helping hand*, your oxytocin level goes up - and that relieves your own stress."
