FOCUS ON STEWARDSHIP: If the Stewards of God do their duty, there is no danger that wealth will increase so rapidly as to prove a snare: for it will be used with practical wisdom and Christlike Liberality.---*R & H, May 16, 1882*. Dear members of Immanuel, your faithfulness in support of the church is most appreciated. As you return your tithe a blessing is promised. Malachi 3 :10 records, "Bring ye all the tithes into the storehouse and prove me now saith the Lord of hosts." Thank you for your support of the church budget. If each member gives 3% systematically, our goal will be realized. May the blessings of the Lord always be with you.

Welcome to Immanuel Church!

HEALTH & NUTRITION TIPS FROM THE HEALTH MINISTRY: Vitamin K, part 3: Vitamin K2 benefits extend beyond blood sugar control, heart and vascular system health, increase of bone density, and dental health. It also has anti aging benefits to help reduce the appearance of wrinkles and restore elasticity of the skin. This improved elasticity, additionally strengthens the walls of blood vessels to reduce or prevent varicose veins. Because K2 is involved in vascular health and kidneys are highly vascular, K2 is essential to keeping the kidneys healthy and functioning well. Vitamin K2 is also necessary for fertility of both males and females. Ensuring pregnant women and infants have adequate vitamin K2 is essential for normal fetal and infant facial bone development. Vitamin K2 can help to reduce depression and anxiety and promotes proper brain function. It also has anticarcinogenic activity. Dietary intake of vitamin K2 is related to a lower incidence of cancer and cancer fatality. Next week we will continue to discuss vitamin K.
